

The Indiana Geologists Association meeting for September will be held on Wednesday, September 9, 2009. This month we have, John Morgan of the City of Indianapolis (with John Trypus of Black & Veatch providing support). He will speak on:

### "Indianapolis Deep Sewage Tunnel System"

The meeting will be held at Joes Crab Shack on the north side at 8250 Dean Road, Castleton. Happy hour begins at 6 PM and the presentation will begin at 7 PM.

**IMPORTANT:** Membership dues for the Indiana Geologists Association are renewed in June/July of every year. Dues for both single and institutional memberships (for 2009/2010) were due in July 2009 (single: \$15/institutional: \$45). Institutional membership invoices for companies needing hardcopy documentation are available through Don Neeley. Membership dues for 2009/2010-year can be sent or given to Don at the upcoming meeting.

- Please continue to submit ideas regarding new venues to hold the monthly Indiana Geologist meetings. Please feel free to contact Don Neeley with any suggestions. If anyone has interesting topics they would like to share with the Indiana Geologists, please sign up to be a speaker. Contact Kim Greeman or Don Neeley if you would like to present or know of someone who does. Don Neeley is the Secretary/Treasurer for the Indiana Geologists. Please direct any payment or questions regarding membership to him.
- **At the August meeting of Indiana Geologists Association Paul Troy succeeded Jim Nowacki as President of Indiana Geologists Association. Congratulations to Paul and thanks to Jim for his service. Thanks also to Dave King for his service as Secretary Treasurer over the past few years.**

#### **Institutional Memberships have been paid by:**

Hull Environmental, PSI, Keramida, Earth and Environmental Services, ARCADIS, CEC, IDNR. Astbury Environmental Engineering, IWM, Mundell & Associates, URS, HydroPhase, Ashted Technology, Inc.

*If you have paid your institutional fees, please contact Don Neeley (dneeley@astburyenviro.com) to update membership list.*

#### **Current IN Geologist officers are:**

Paul Troy, President (317) 570-6730 [ptroy@troyrisk.com](mailto:ptroy@troyrisk.com)
